**REQUEST FOR WITHDRAWAL OF NOTICE OF ABANDONMENT**

MS Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Responsive to the Notice of Abandonment mailed October 27, 2005, Applicants respectfully assert that for the following reasons, the withdrawal of the holding of abandonment is in order.

Applicants in the above-identified patent application received a Notice of Abandonment, dated October 27, 2005, copy enclosed as Exhibit A, advising that the application has become abandoned due to Applicants' failure to timely pay the required issue fee and publication fee.

For the reasons set forth below, Applicants believe that the Notice of Abandonment is in error and should be withdrawn. More specifically, Applicants respectfully submit that the fees were timely paid and thus, the Notice of Abandonment was issued in error. More specifically and as evidenced by the attached declaration and exhibits, Applicants timely submitted the issue fee and

publication on September 1, 2005 and deposited the same in an Express Mail envelope as evidenced by the label copy and log presented as part of the attached Exhibits.

Since Applicants complied with all governing rules and regulations and the abandonment arose through no part or error by the Applicants, abandonment of the present application is improper and based on the evidence presented herewith, the Notice of Abandonment should be withdrawn and the application should be passed to issue.

Since the alleged abandonment is improper and did not result from any action or lack of action by the Applicants, it is believed that no fee is due with the present request. If this is not the case, it is earnestly requested that the Examiner contact the undersigned.

**DECLARATION OF DWIGHT B. PECK**

Mail Stop Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

I, Dwight B. Peck, declare as follows:

1. I am employed as a Docketing Clerk at Darby & Darby, P.C. I make this declaration in support of the accompanying REQUEST FOR WITHDRAWAL OF NOTICE OF ABANDONMENT, which seeks the withdrawal of the NOTICE OF ABANDONMENT mailed on October 27, 2005, in the above-identified application.

2. A true copy of the Notice of Abandonment mailed October 27, 2005 is attached as Exhibit A. The Notice of Abandonment states that the applicant failed to timely pay the required issue fee and publication fee, and that no reply has been received.

3. A true copy of the Issue Fee Transmittal submitted on September 1, 2005 is attached as Exhibit B. The Issue Fee Transmittal also includes an executed Certificate of Express Mailing Under 37 CFR 1.10 dated September 1, 2005, which includes my signature.

4. In accordance with our office procedure, the secretary of the attorney who prepared the papers being transmitted to the U.S. Patent and Trademark Office ("USPTO") would have brought the papers to the docketing department. The docketing department would have reviewed the papers for completeness and, if satisfied, would have imprinted, signed, and dated the Express Mail Certificate. The docketing department would then have placed it in a properly addressed postage paid envelope for mailing to the USPTO. Incomplete or unsigned papers would not be placed in the envelope, but would be returned to the attorney. At the end of the day, the docketing department forwards the USPTO envelope to our services department to be mailed with the U.S. Postal Service (USPS).

5. Attached as Exhibit C is a true copy of a self addressed postcard stamped with Express Mail tracking number EV 691012719 and a true copy of a check for \$1000.00. These items would have accompanied the other papers, and I would have considered the papers incomplete in their absence.

6. Attached as Exhibit D is a true copy of an Express Mail label which lists the same tracking number, EV 691012719, as stamped on the self-addressed postcard (Exhibit C). This Express Mail label has a USPS mailroom stamp dated September 1, 2005. This confirms that the originals of Exhibit C were deposited with the USPS on that date.

7. Further, Exhibit E is a page from the mail log of the docketing department that further indicates that on September 1, 2005 the issue fee and publication were paid for the above-identified application (identified in the mail log as "Forhealth 728,363") and further the tracking number EV 691012719 is listed yet again showing that these documents were deposited in the Express Mail envelope.

8. The return, stamped postcard has not yet been received by Applicants' counsel.

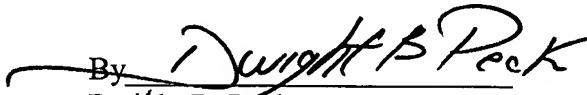

9. Based upon the presence of the Certificate of Express Mailing I signed, the postcard I signed, the docketing mail log book, and the USPS-stamped Express Mail receipt, it may be

concluded that the originals of Exhibit B were timely filed on September 1, 2005, in accordance with normal procedures at Darby & Darby.

All statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further these statements were made with the knowledge that willful and false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

## **Attachment to Notice of Abandonment**

**For questions concerning the notice contact  
Office of Patent Publication  
Image Assistance Center: 888-786-0101.**

Information is also available on the USPTO Internet web site:  
<http://www.uspto.gov/web/patents/pubs/abandonnotice.html>

### **Respond to the Notice of Abandonment by one of the following:**

#### **1. Petition To Withdraw Holding of Abandonment (See MPEP 711.03(c) I and 37 CFR § 1.181) No fee required**

Where an applicant contends that the application is not in fact abandoned (e.g., a reply was in fact filed), a petition under 37 CFR § 1.181(a) requesting withdrawal of the holding of abandonment is the appropriate course of action. Any petition under 37 CFR § 1.181 to withdraw the holding of abandonment not filed within 2 months of the mail date of a Notice of Abandonment may be dismissed as untimely under 37 CFR § 1.181(f). In order for a petition to be granted, the evidence must be sufficient according to 37 CFR § 1.8(b) Certificate of Mailing 37 CFR § 1.10 "Express Mail" mailing or MPEP 503 Postcard Receipt as Prima Facie Evidence. The petition should be addressed as follows:

By mail: Mail Stop: Issue Fee, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450  
By facsimile: 703-872-9306

#### **2. Petition To Withdraw Holding Of Abandonment Based On Failure To Receive Office Action (MPEP 711.03(c) II and 37 CFR § 1.181). No fee required**

Where an applicant contends that the original Notice of Allowance and Fee(s) Due was never received, if adequately supported, the Office may grant the petition and remail the Office action. The showing required establishing non-receipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

Petition should be addressed to the Technology Center handling the application as follows:  
By mail: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450  
By facsimile: 703-872-9306

#### **3. Petition To Revive An Abandoned Application (See MPEP 711.03(c) III)**

Where there is no dispute as to whether an application is abandoned (e.g., the applicant's contentions merely involve the cause of abandonment) a petition under 37 CFR § 1.137 (a) or (b) (accompanied by the appropriate petition fee) is necessary to revive the abandoned application. The text of these rules is available on the USPTO Internet Web site. Forms for these petitions, "Petition For Revival Of An Application For Patent Abandoned Unavoidably Under 37 CFR § 1.137(a)," PTO/SB/61, and "Petition For Revival Of An Application For Patent Abandoned Unintentionally Under 37 CFR 1.137(b)," PTO/SB/64, are available in the forms section of the USPTO website: <http://www.uspto.gov>.

Petitions under 37 CFR § 1.137 should be addressed to the Office of Petitions as follows:  
By mail: Mail Stop Petition, Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313-1450  
By facsimile: 703-872-9306

Note: Abandonment takes place by operation of law for failure to reply to an Office action or timely pay the issue fee, not by operation of the mailing of a Notice of Abandonment
